Prague, Czech Republic | May 8-10, 2024

The 6th International Conference on ICT for Accessibility, Education, and Disability (ICT4AWE 2024) will be held in Prague, Czech Republic, from May 8-10, 2024. The conference will bring together researchers, practitioners, policymakers, and users from around the world to discuss the latest advances in ICT for accessibility, education, and disability.

The conference will feature a variety of sessions, including keynote speeches, paper presentations, workshops, and panels. The topics covered will include:

- ICT for accessibility
- ICT for education
- ICT for disability
- ICT for inclusion

The conference is an opportunity to learn about the latest research and developments in ICT for accessibility, education, and disability. It is also an opportunity to network with other professionals in the field and to share ideas and best practices.

Call for Papers

The conference is now accepting submissions for papers. Papers should be original and unpublished and should address one of the conference topics. Papers can be up to 8 pages long and should be submitted in the IEEE Xplore format.

The deadline for paper submissions is March 1, 2024.

Registration

Registration for the conference is now open. The early bird registration deadline is April 1, 2024.

For more information about the conference, please visit the conference website.

Venue

The conference will be held at the Prague Congress Centre in Prague, Czech Republic.

Accommodation

A block of rooms has been reserved at the Prague Congress Centre for conference attendees. To book a room, please visit the conference website.

Transportation

Prague is easily accessible by air, rail, and road. The Prague Congress Centre is located in the city center and is easily accessible by public transportation.

Visa Information

Citizens of most countries do not need a visa to enter the Czech Republic. However, citizens of some countries may need to apply for a visa in advance. For more information, please visit the Czech Republic's Ministry of Foreign Affairs website.

Contact Information

For more information about the conference, please contact the conference secretariat at ict4awe@conference.org.
