### Materials You'll Need

- A sewing machine with a free motion quilting foot
- Quilting thread

- Quilt batting
- Quilt backing
- A fabric marker or pencil
- A ruler or measuring tape

## **Basic Techniques**

To start free motion quilting feathers, you'll need to first mark the design on your quilt top. You can do this with a fabric marker or pencil. Once you've marked the design, you'll need to set up your sewing machine for free motion quilting.

To set up your sewing machine for free motion quilting, you'll need to lower the feed dogs and attach a free motion quilting foot. You'll also need to adjust the tension on your sewing machine. The tension should be loose enough that the thread can move freely, but not so loose that the thread loops or breaks.

Once your sewing machine is set up, you can start quilting the feathers. To do this, simply follow the marked design with your sewing machine needle. You can use a variety of different stitches to create different effects. Some popular stitches for free motion quilting feathers include the serpentine stitch, the echo stitch, and the couching stitch.

## **Advanced Variations**

Once you've mastered the basic techniques of free motion quilting feathers, you can start experimenting with some advanced variations. Some popular advanced variations include:

- **Shading:** You can add shading to your feathers by using different colors of thread. To do this, simply start with a light color of thread and gradually switch to a darker color as you quilt the feather.
- **Blending:** You can blend different colors of thread to create a smooth transition between colors. To do this, simply start with one color of thread and gradually add another color as you quilt the feather.
- **Embellishments:** You can add embellishments to your feathers by using beads, sequins, or other small objects. To do this, simply sew the embellishments onto the feather as you quilt it.

### **Tips for Free Motion Quilting Feathers**

- Use a light touch when quilting feathers. This will help you to avoid puckering the fabric.
- Keep your stitches even and consistent. This will help you to create a beautiful, finished look.
- Don't be afraid to experiment with different stitches and techniques. There are endless possibilities when it comes to free motion quilting feathers.
