About the Author

Ian Falloon is a renowned motorcycle journalist and author. He has written over 40 books on motorcycle history and design, including the best-selling "The Book of the Norton." Falloon's passion for Laverda motorcycles is evident in the Laverda Twins Triples Bible, which is the culmination of years of research and interviews with Laverda engineers and riders.

The Contents of the Book

The Laverda Twins Triples Bible is divided into four main sections:

1. **History:** This section provides a detailed history of Laverda motorcycles, from the company's founding in 1947 to the present day. Falloon traces the development of Laverda's twin and triple engines, and he discusses the company's racing successes and financial struggles.
2. **Models:** This section covers every Laverda motorcycle model ever produced, from the early 750 twins to the legendary Jota and SFC triples. Falloon provides detailed specifications for each model, as well as information on performance, handling, and reliability.
3. **Specifications:** This section provides a comprehensive list of specifications for every Laverda motorcycle model. This includes engine size, power output, weight, and dimensions.
4. **Restoration:** This section provides tips and advice on restoring Laverda motorcycles. Falloon covers everything from engine rebuilds to paint and bodywork.

The Value of the Book

The Laverda Twins Triples Bible is a valuable resource for Laverda enthusiasts and collectors for several reasons:

- **Comprehensiveness:** This book is the most comprehensive guide to Laverda motorcycles ever published. It covers every model from the early 750 twins to the legendary Jota and SFC triples.
- **Accuracy:** Falloon has spent years researching Laverda motorcycles, and his book is packed with accurate information. He has interviewed

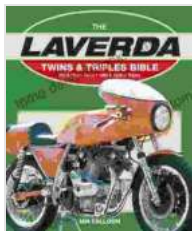

Laverda engineers and riders, and he has consulted factory records to ensure that the information in this book is accurate.

- **Expertise:** Falloon is a renowned motorcycle journalist and author. He has a deep understanding of Laverda motorcycles, and he shares his expertise in this book.
- **Illustrations:** The Laverda Twins Triples Bible is illustrated with over 500 photographs. These photographs show Laverda motorcycles in all their glory, and they help to bring the book to life.

The Laverda Twins Triples Bible by Ian Falloon is the definitive guide to Laverda motorcycles. This comprehensive encyclopedia is a must-have for Laverda enthusiasts and collectors. Whether you're a seasoned rider or a new enthusiast, you'll find valuable information and insights in this book.
