In the wake of an electromagnetic pulse (EMP) attack, society collapses and the world is thrown into chaos. A group of young adults must band together to survive in this harsh new reality.

The EMP has knocked out all electronics, including cars, phones, and computers. The power grid is down, and there is no running water or food. The world is a dangerous place, and the young adults must learn to adapt quickly if they want to survive.

The group is led by 17-year-old Emily. Emily is a strong and resourceful girl, and she is determined to keep her friends alive. The other members of the group include:

- 16-year-old Jake: Jake is a skilled hunter, and he is always on the lookout for food.
- 15-year-old Sarah: Sarah is a kind and caring girl, and she is always looking out for the other members of the group.
- 14-year-old Ben: Ben is a tech-savvy boy, and he is always trying to find ways to fix things.
- 13-year-old Abby: Abby is the youngest member of the group, but she is a brave and determined girl.

The group must travel across the country, scavenging for supplies and avoiding danger. They will encounter other survivors, both friendly and hostile. They will also have to face the challenges of the harsh environment, including hunger, thirst, and disease.

But through it all, the group will stick together. They will learn to rely on each other, and they will learn to survive in this new world.

## **The Setting**
